[Sr. Thea Bowman Catholic School](#) - Sister Thea Bowman Catholic School (Jackson, MS)... was established in 2006 as a blending/merger of St. Mary Catholic School and Christ the King Catholic Pre-School. Due to financial concerns and enrollment issues, the Diocesan Office of Catholic Schools spearheaded this consolidation effort. Sister Thea Bowman was chosen as the school patron due to the connection she had to the local area-her funeral mass was held at St. Mary

Catholic Church and she preached on several occasions at Christ the King Church. She lived and ministered in Canton, MS, only a few miles from West Jackson. Her spirit of love for God and her faith as well as academic excellence is the spirit collaborators in the school merger wanted to impart to boys and girls who would attend this new institution.
